

Golden Acorn 2017-18 Nomination Form

Cascadia Elementary

The **Golden Acorn Award** is given in recognition of a parent or family volunteer who has shown exemplary dedication in the Cascadia community.

If you know of someone who has gone above and beyond as a volunteer and/or is an unsung hero at Cascadia, please help us by nominating them for this special recognition.

The recipient will be announced and honored at our PTA general meeting in May. Their name will naturally be emblazoned not only in the memories of those whose lives they touched, but also on a plaque in the school. All nominees will receive a congratulatory letter as well.

Please help us select this year's recipient by completing this form. Email it to membership@cascadiapta.org by Friday, April 6, 2018.
